Braxtyn Gassaway

Braxtyn Design Co. has transformed the way interior design is understood and appreciated. In a field that is often overlooked, Braxtyn has made it her mission to highlight not only her own creative talent but also the talent of other designers. Her proficiency in technology, from precise plan drafting to advanced 3D renderings, allows her to execute complex concepts and communicate her vision clearly and confidently. She believes deeply that design is far more than aesthetics. Our built environments should feel supportive, empowering, and intentional. Her work is rooted in elevating both the spaces she designs and the lives of the people who inhabit them. She is committed to creating environments that leave a lasting, meaningful impact.

No. 2 SOCIETY

RICH, REFINED, IMMERSIVE

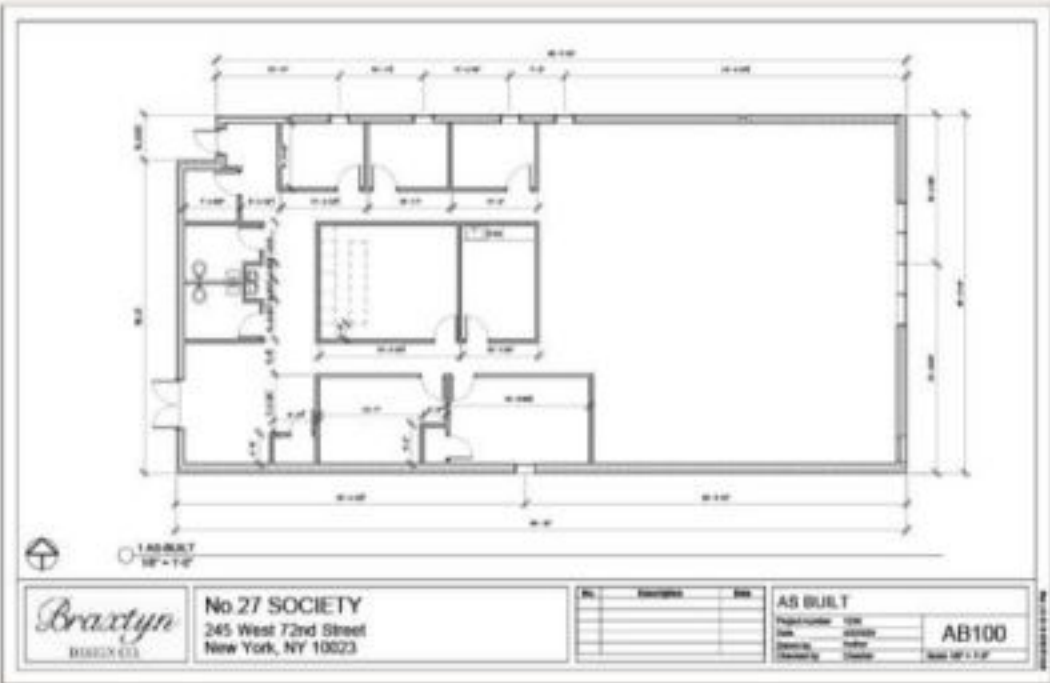

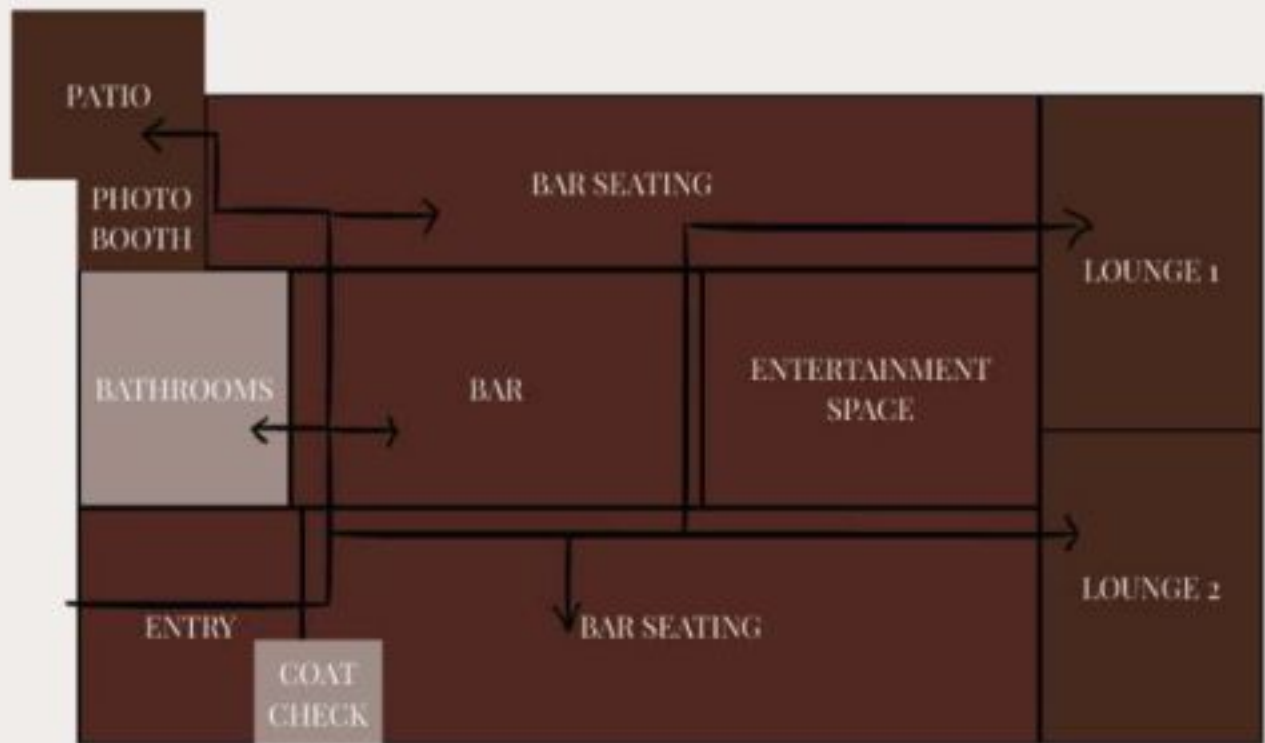

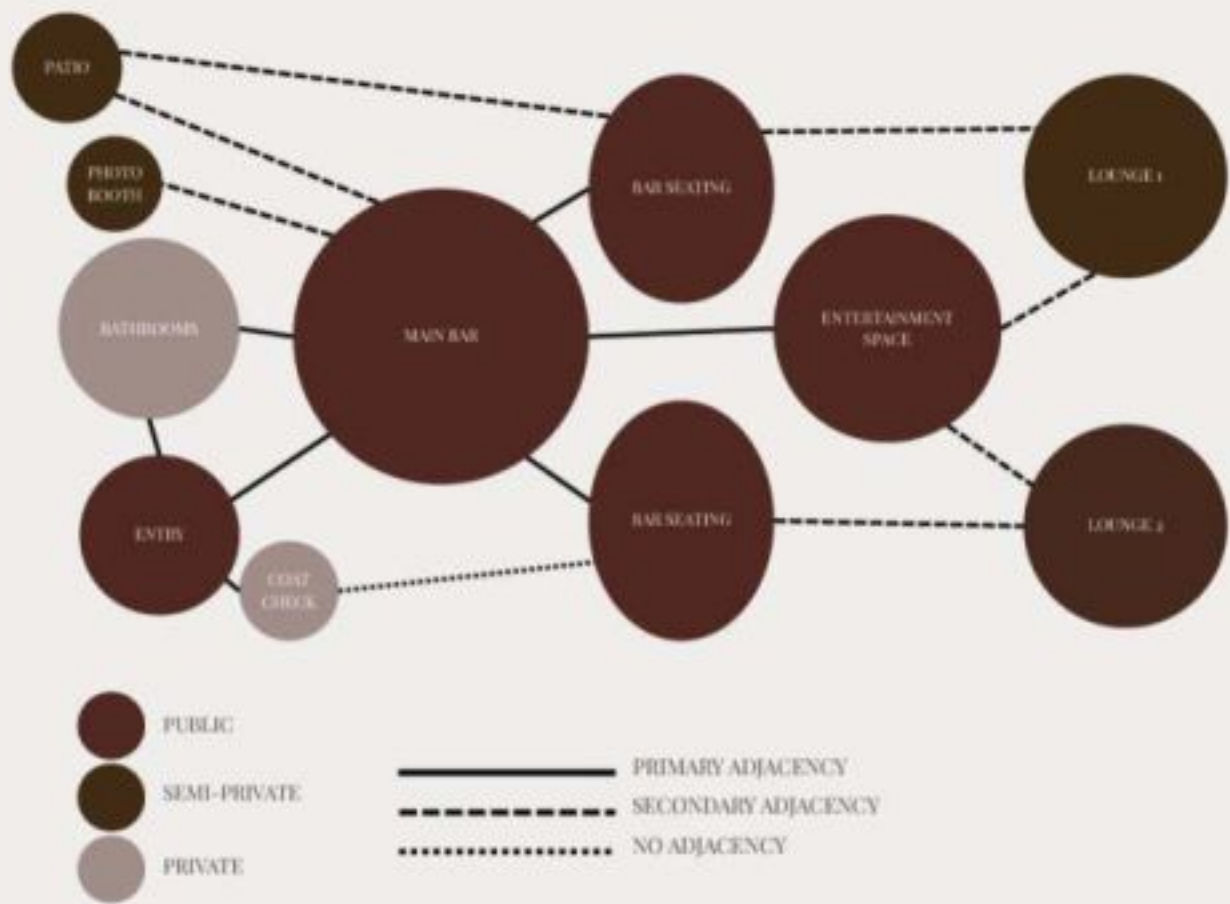

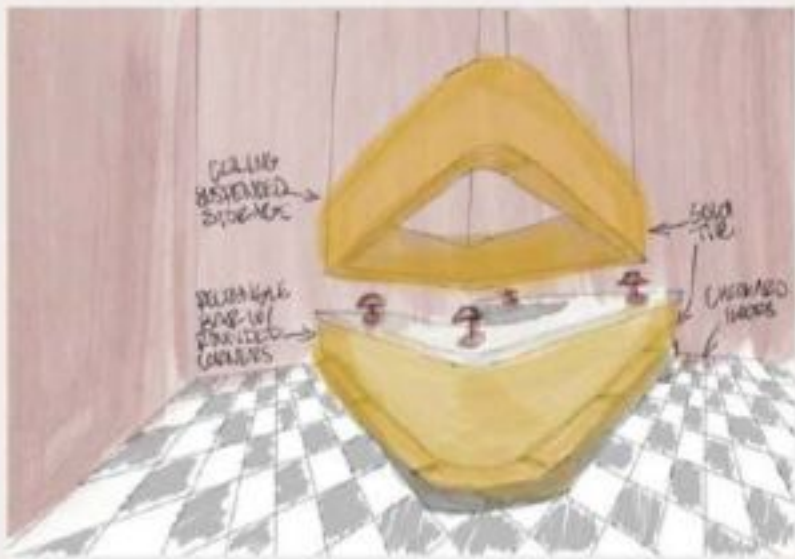

An exclusive retreat designed as an escape for those at the top, not a place for performance or self-promotion. A sequence of distinct rooms unfolds throughout the space, each contributing to a larger narrative. Access is by invitation only, yet the atmosphere remains welcoming rather than intimidating. The club is a place to experience art and music in an intentional, immersive way.

DESIGN CHALLENGE

No. 27 Society presented the challenge of designing a space that supports more than nightlife alone. The layout needed to balance energy and intimacy, incorporating separate lounge areas from the main bar to allow for both privacy and social connection. The design also required flexibility, enabling the atmosphere to transition seamlessly from day to night through strategic planning of lighting, circulation, and spatial zoning.

THE RUTHERFORD RESIDENCE

ORGANIC, SERENE, ELEGANT

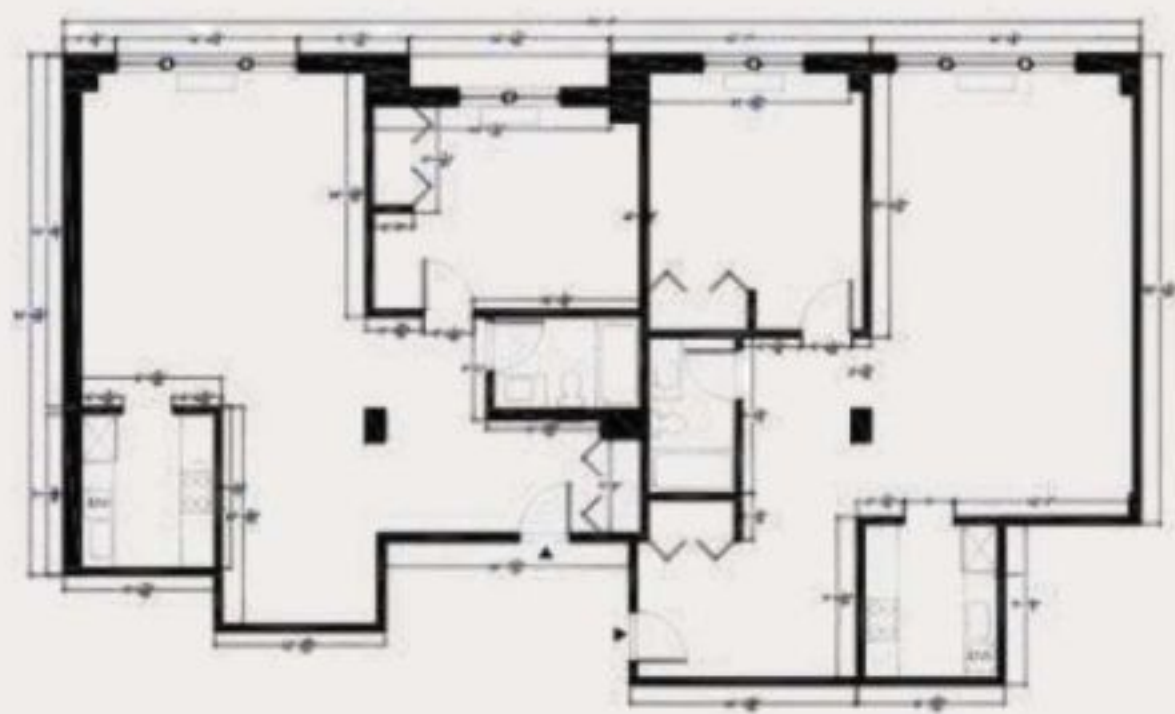

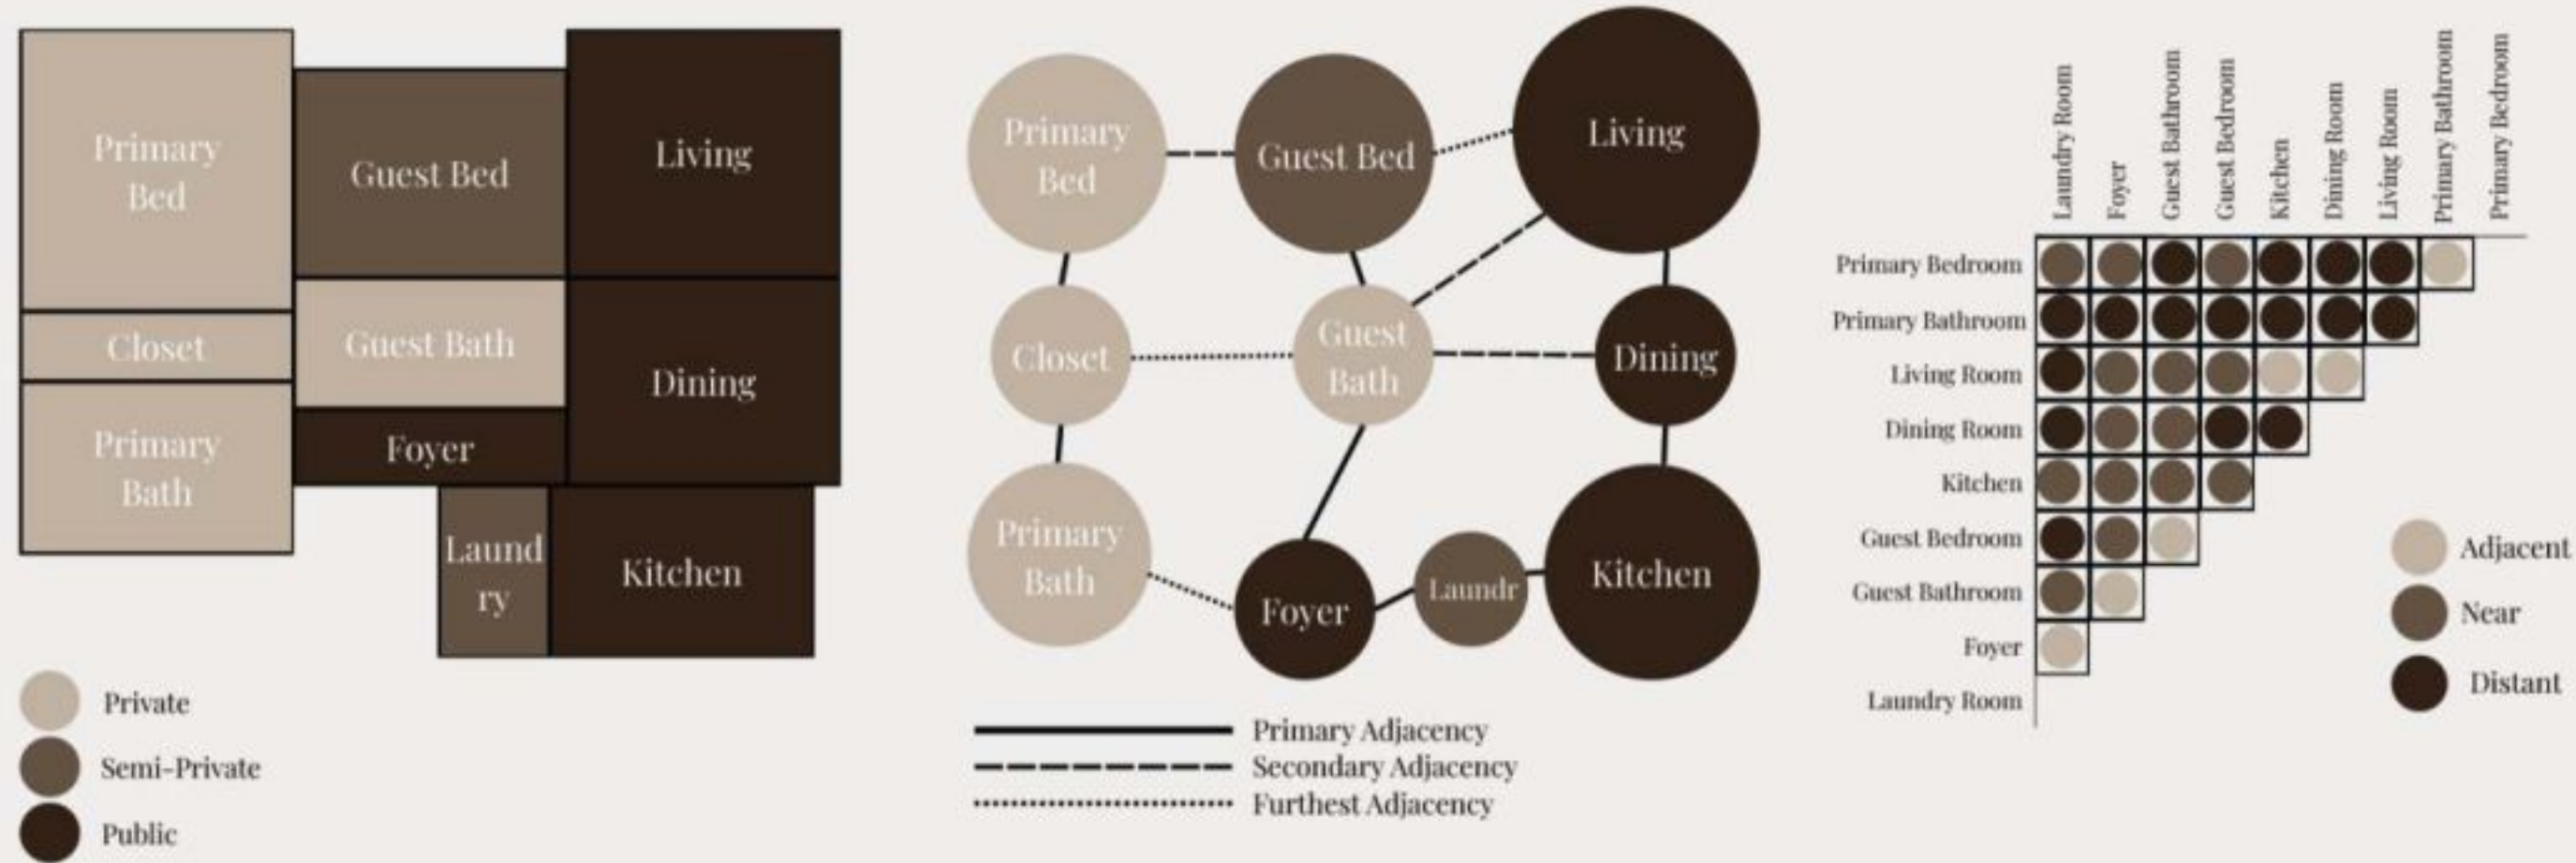

The Rutherford residence is a Zen modern retreat centered on organic form, serene spaces, and quiet elegance. Natural materials, soft textures, and neutral tones create a calm and balanced environment, while thoughtful proportions and subtle detailing bring a sense of refinement. The result is a composed, intentional home that supports both everyday living and moments of rest.

DESIGN CHALLENGE

space must provide a relaxing environment for both working partners, ensuring comfort and full functionality for all visitors. Every element of the design should balance practicality with elegance, creating a cohesive and welcoming atmosphere throughout the home.

MODERN VICTORIAN REVIVAL

CURRENTLY WORKING ON- IN PLANNING PHASE

TIMELESS, FUNCTIONAL, INVITING

The Victorian Revival is a full kitchen and bathroom renovation for a busy family of five, reimagining a 1910s Victorian home with modern comfort and functionality. Designed to support everyday living and entertaining, the space prioritizes ample storage, durable low-maintenance materials, and efficient layouts. While Luke integrates high tech appliances, Lucy guides the aesthetic, preserving Queen Anne charm through light, color, and character. With limited natural light, carefully curated finishes and lighting create a bright, welcoming atmosphere. The result is a home that balances historic character with practical, family focused design.

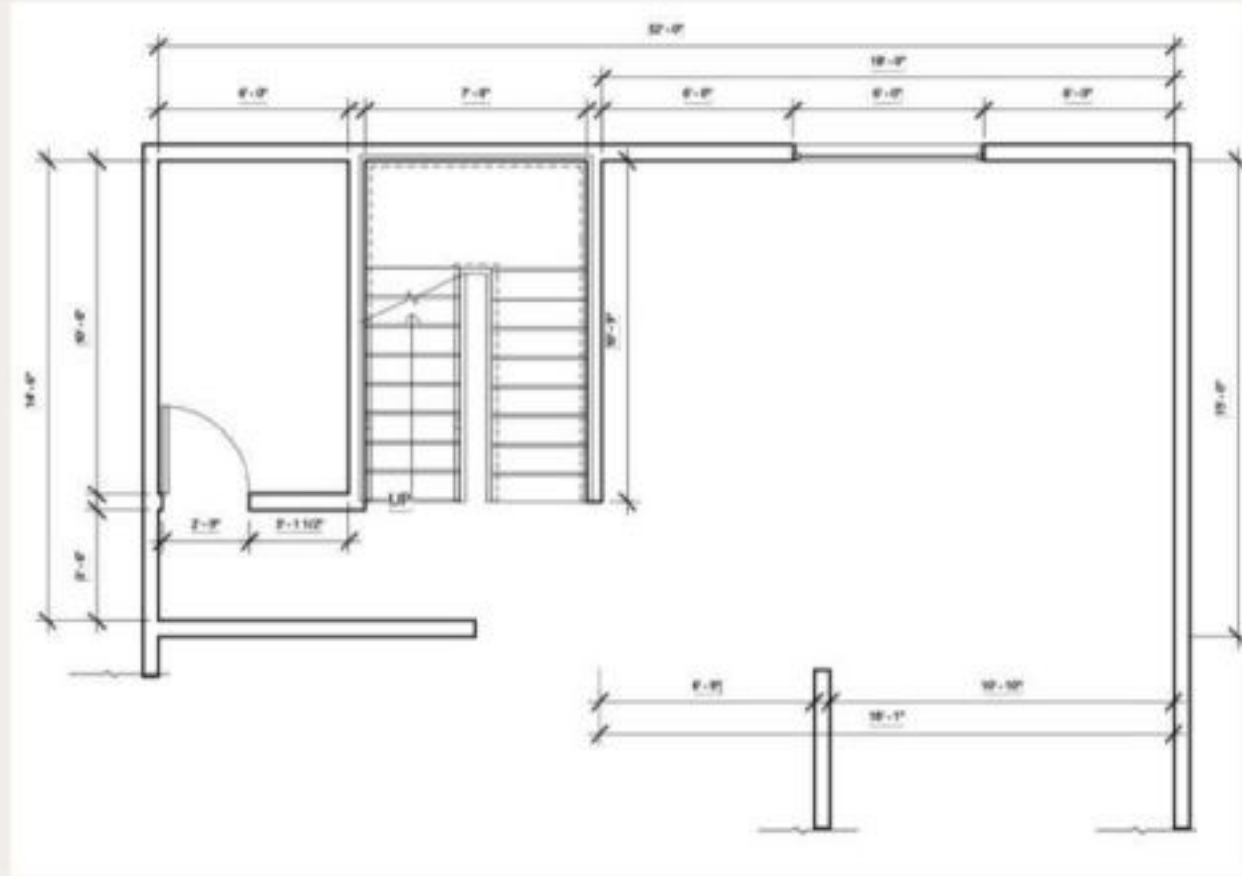

DESIGN CHALLENGE

To create historically respectful yet highly functional kitchen and bath spaces within a 1910 Queen Anne Victorian, enhancing light, storage, and usability. While honoring the home's original character, the design must accommodate an active family of five. The space should facilitate hosting and weekly meal prep while thoughtfully enhancing the flow of everyday life.

BATH

ANDERSON BATH

RETRO, BOLD, LUXURY

Inspired by Wes Anderson's signature symmetry and bold color palettes, this bathroom design draws from the iconic red zebra wallpaper in *The Royal Tenenbaums*. Blending retro and traditional elements, it creates a luxurious, transitional space that feels both glamorous and contemporary.

DESIGN CHALLENGE

The Anderson Bathroom was envisioned as a highly functional primary bath for a couple, while embodying the bold whimsy and distinctive character of Wes Anderson's *The Royal Tenenbaums*. The challenge was to balance everyday usability with expressive design, incorporating vibrant color palettes and graphic pattern in a way that feels intentional rather than overwhelming. Through thoughtful planning and layered detailing, the space transforms into a playful yet refined oasis tailored to the Andersons' lifestyle.

THE SINCLAIR ON MELROSE

CURATED, LAYERED, SOULFUL

The Sinclair Residence embodies an inviting sense of comfort and ease.

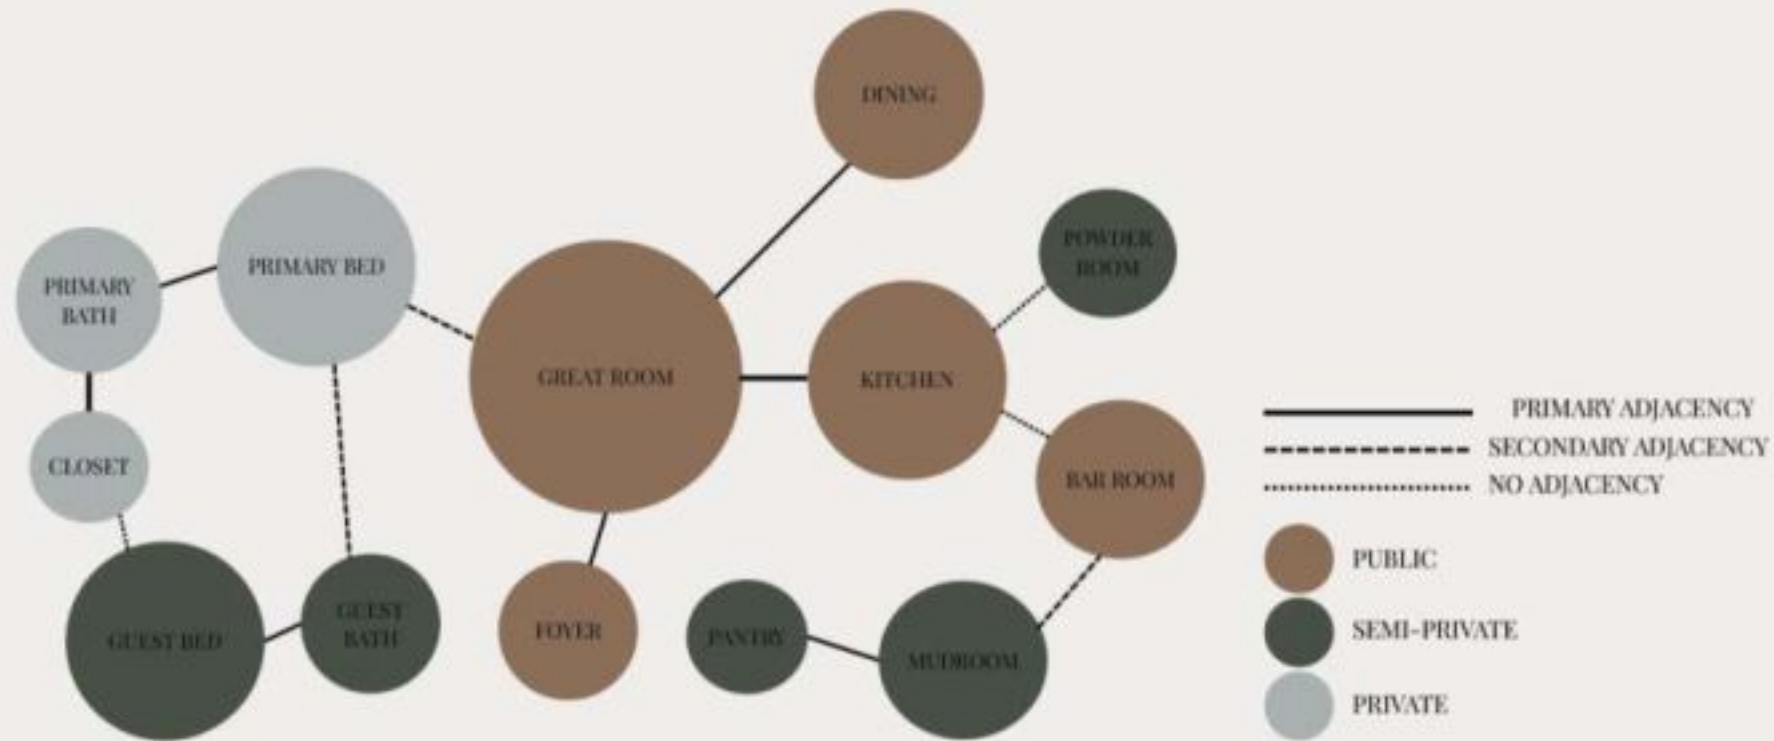

Each room offers a new discovery, reflecting elements of Margot and Walker's creative work and travels. The home feels unique yet refined, layered with personality while remaining visually calm and cohesive. The design style is best described as Eclectic Collected Modernism, a balance of individuality, sophistication, and lived-in warmth.

DESIGN CHALLENGE

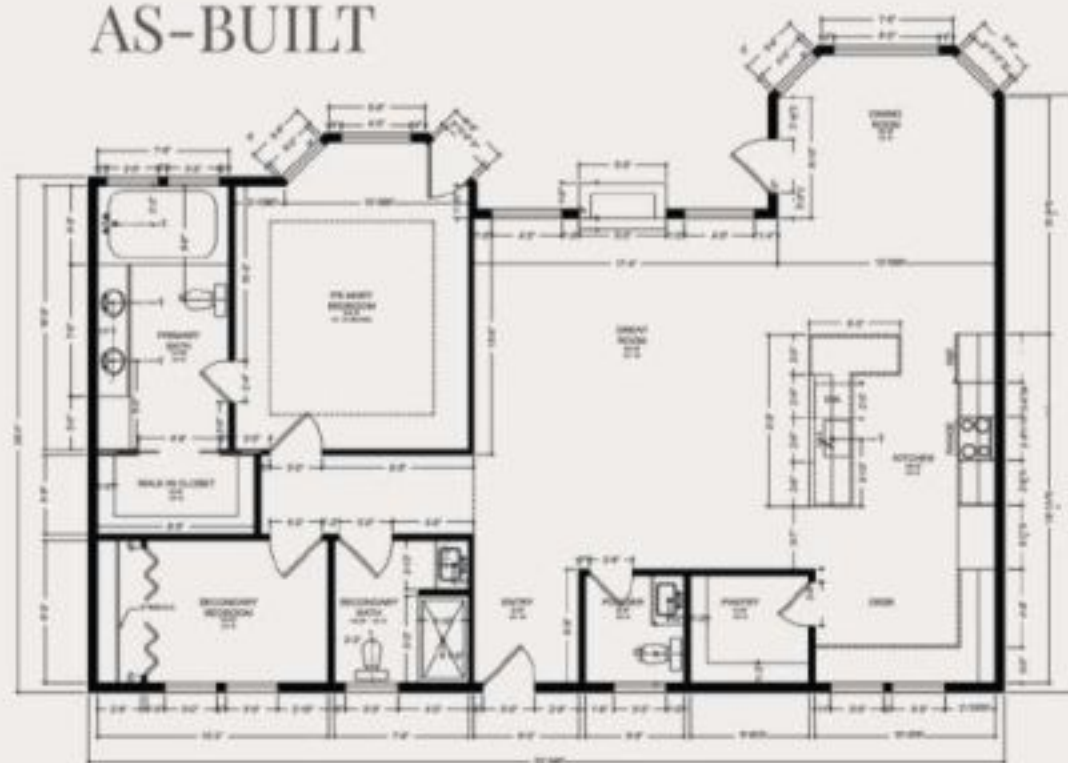

The Sinclair Residence presented the challenge of transforming a layout that did not reflect the mid-century character the homeowners wished to embody. In addition to establishing a stronger architectural identity, the design needed to enhance functionality and improve the overall flow of the home. As avid art collectors, the clients also required thoughtful opportunities to properly display and highlight their collection, allowing the home to feel both curated and deeply personal.

STUDENT REFLECTION

THROUGHOUT MY TIME AT HERITAGE, I HAVE NOT ONLY LEARNED SO MUCH ABOUT DESIGN, BUT ALSO SO MUCH ABOUT MYSELF.

HERITAGE HAS ALLOWED ME TO GROW INTO THE BEST VERSION OF MYSELF AND HAS FULLY PREPARED ME TO STEP INTO THE DESIGN INDUSTRY. DURING MY TIME HERE, I HAVE BECOME MORE CONFIDENT IN MY SKILL SETS, PUBLIC SPEAKING ABILITIES, AND IN MYSELF AS A WHOLE.

THIS EXPERIENCE HAS ONLY CONFIRMED MY PASSION FOR INTERIOR DESIGN. I HAVE BEEN SUPPORTED IN THE BEST WAYS POSSIBLE, AND I KNOW I HAVE A STRONG TEAM OF PEOPLE BEHIND ME.

ALTHOUGH I HAD TO PERSEVERE THROUGH MANY CHALLENGING PROJECTS, HERITAGE HAS EQUIPPED ME WITH THE SKILLS AND CONFIDENCE TO SUCCEED IN ANY SITUATION.

I AM INCREDIBLY GRATEFUL FOR MY TIME AT HERITAGE, AND IT WILL ALWAYS HOLD A SPECIAL PLACE IN MY HEART.

Thank You
